We understand many athletes participate in fall sports. This option allows wrestlers to continue developing their skills, stay connected with their teammates, and prepare for the wrestling season while balancing their fall sport commitments. Athletes who transition to a normal Monthly or Session Membership during the Fall Session may apply their Sunday-only membership toward the upgrade.

WRTC Coaching Staff will be in attendance to coach athletes at these tournaments. We will be attending these events as a club team. The expectation is that all WRTC wrestlers will warm up together and support their teammates through-out the competition. This is a great opportunity to receive coaching from our staff, gain valuable competition experience, and continue building our team culture.

Mandatory Parent Meeting: August 2 @ 4:30pm

There will be a mandatory parent meeting at the first practice of the fall session. We strongly encourage at least one parent/guardian to attend. This meeting will be brief, but very important information will be shared. This is also a great time to get any questions or concerns that you may have answered by the coaching staff.

Team Gear Store: August 2 - August 12

There will be an online team gear store that will go live Sunday, August 2 and it will close the evening of Wednesday, August 12. This is for our wrestlers, parents, fans, alumni, and families. We will also have our club's media day in either October or November! It's looking like it will likely be on Sunday, November 8, so this store will be your chance to purchase new Warrior apparel & singlets for those pictures!

Warrior RTC T-Shirt Incentive

All athletes who register and complete payment for a session membership by August 16 will receive one FREE Warrior RTC T-Shirt. Also, all athletes who prepay for all 4 preseason wrestling Saturday camps in August will receive an exclusive free t-shirt.

Warrior RTC Attendance Incentive Program

Wrestlers who attend 90% or more of the fall session practices will receive a special gift. There are 39 total practices in the fall session, so you will need to attend 35+ practices to earn the gift. Each camp attended will count as +2 practice extra credit. Each preseason competition attended will count as +2 practice extra credit.

Drop-In Policy

Drop-in training is available for athletes who would like to experience Warrior RTC or attend on an occasional basis. However, we strongly encourage wrestlers planning to train consistently to enroll in a Monthly or Session Membership, which provides the best value and supports long-term development. If you decide to join Warrior RTC after attending as a drop-in, your drop-in fee(s) may be applied toward a Monthly or Session Membership, provided you register within the current training session. Consistent attendance is one of the biggest factors in a wrestler's improvement, and our membership options are designed to provide the greatest value while helping athletes reach their full potential.
